NO DOGS OR ANIMALS

RACE-DAY INFORMATION

KNOW BEFORE YOU GO

- Stay outside the roped course at all times. Cross only where a course marshal waves you across, and never during a race.
- Keep chairs, coolers and team tents in tent city only.
- The campus is tobacco-, vape-, alcohol- and drug-free. Drones are not permitted anywhere on school grounds.
- No bicycles, scooters or motorized carts on the course.
- Portable restrooms are in the center of the Durgee Bus loop.
- First aid, EMS and an athletic trainer are stationed near the finish.
- The meet runs rain or shine. If lightning is detected, racing is suspended and everyone is directed to their vehicles.
- Please carry out what you carry in!
- Did we say no dogs or animals?

CONCESSIONS

The Booster Club concession stand runs all day near the finish. Hot dogs, Sal's pizza, bagels, donuts, fruit, chips and candy; coffee, hot chocolate, Abbott Farms cider, chocolate milk, water, soda and Gatorade. Most items \$1-\$5.

Every dollar goes back to Baldwinsville Cross Country.

AWARDS

- Team T-shirts to the winning teams in the varsity races.
- Awards are presented at the awards area by the finish shortly after each race.

GETTING TO CAMPUS

→ **Durgee Jr. High School, 29 East Oneida Street, Baldwinsville, NY 13027** — tap the address for driving directions in Google Maps.

Parking is the single most challenging part of race day. Please arrive early, be patient with our volunteers and with each other, and expect to walk a fair distance from your parking spot to the course. Park only in designated areas — thank you for your cooperation.

→ **The full parking map is on page 4** — lots are numbered in the order they fill.

CARS & SPECTATORS

- **One entrance only:** the campus drive off E. Oneida St., opposite Virginia St. — look for the green Spectator Entrance arrow. Albert Palmer Lane is buses only.
- Campus roads are two-way. 5 mph, and expect runners and children in every direction.
- Park only in the numbered lots, and only where a parking volunteer directs you. Lots fill in numbered order — please don't pick your own.
- Accessible parking is the Durgee front lot. Overflow, if needed, is Edgewood Drive at the entrance marshal's direction only.
- Arrive at least 45 minutes before your runner's race, and expect to walk a fair distance from your spot to the course.

BUSES

- **Enter on Albert Palmer Lane** — one-way northbound, buses only.
- Unload athletes at the Durgee east apron, the Bus Drop-off star on the map..
- Then exit by the main campus, do not turn around. Drive past Elden Elementary and past Baker High School. Right on E. Oneida St. up the hill and left into Word of Life Church, just east of campus.
- **Pickup is at the Baker H.S. bus loop. Do NOT return to Durgee** — it jams the whole campus. Athletes walk to Baker after their race. Coaches/Bus Driver communicate on pickup time at Baker High school bus loop.
- One loop, one direction: please do not back up anywhere on campus. Coffee and refreshments for drivers are at the finish-line coaches' area. Porta Potty at the District Office.
